TUITION PAYMENT SCHEDULE FOR 2024-2025

- The yearly tuition fee is broken down into ten (10) monthly payments beginning June 15th. The monthly payment for your child(ren) can be determined by dividing your total tuition by ten. We have partnered with FACTS Management Company to manage our payment program. This will enable all families to make online payments. (Please see the attached information explaining the FACTS Management program.) All returning families will use their existing FACTS log-in information. New families will receive an email directly from FACTS Management Company to set up their account to complete their registration.

The **First Tuition** payment is due by **June 15, 2024**. The Second through Tenth Tuition payments are due by the fifteenth of every month, **September through May**. If tuition is not received by the 15th of the month, a **\$25 late fee will be charged**. Payments should be paid online through FACTS by electronic transfer directly from your bank account or by credit card. A processing fee will be charged by FACTS for credit card payments.

All tuition and fees must be paid in full by May 15, 2025.

Our Lady of the Snows Catholic Academy

"Turning today's learners into tomorrow's leaders"

If an online payment is **Returned or Uncollected** due to insufficient funds or any other reason, you will be charged a \$30 fee (subject to change) and FACTS will make a second attempt to debit your account.

A **3 percent discount** will be given to each family who pays their tuition in full by June 30, 2024. This only applies to tuition not any other school fees, and the discount does not apply to tuition received after June 30th. There are no exceptions. If you will be away, you may send the payment in advance to the school address.

Financial Aid – There are various scholarships that are awarded each year. Information and guidelines for these scholarships will be made available to you as we receive them. We recommend that all families apply for the available scholarships. Please see the school office for more information.

\$200 Referral Incentive – Our Lady of the Snows Catholic Academy is offering an incentive program to each family so they can invite family and friends to learn more about Our Lady of the Snows Catholic Academy. Please make sure that the prospective family mentions your family as the one that recommended them. If that new family registers and remains at Our Lady of the Snows Catholic Academy in good financial standing, you and the new family will receive a one-time credit of \$200 on the May 15, 2025 payment for the 2024-2025 school year. This credit is given only the first year the family attends Our Lady of the Snows Catholic Academy and is limited to one referral credit per family.

\$200 Public School Incentive – Our Lady of the Snows Catholic Academy is offering an incentive program to all new families registering from public school. This credit is given only the first year the family attends Our Lady of the Snows Catholic Academy. The family must remain in good financial standing and will receive the one-time \$200 credit on their final tuition payment of their first year.

Registering your child is a full school year commitment. The ten-payment plan is for your convenience and is not meant to suggest that payments correspond to a month-by-month enrollment. The cost of each child's education is a full academic year's expense. Withdrawing a child before the end of the school year does not materially decrease that expense, therefore **no refunds** will be given, and the parent is still responsible for the tuition and fees **for the entire school year.**

Arrears – Failure to pay tuition in a timely manner jeopardizes the fiscal health and stability of the Academy. If circumstances arise that a tuition payment will be late, please notify the school office in writing. If an account is delinquent, report cards, transcripts, and diplomas will not be released until all financial responsibilities are met. (No personal checks will be accepted on past due accounts.) Current enrollment and re-registration may be affected by accounts that are severely overdue.

I/We have carefully read and agree to abide by the terms and conditions of the Our Lady of the Snows Catholic Academy Tuition Contract for the 2024-2025 school year.

2023-24 School Year New York State Immunization Requirements for School Entrance/Attendance¹

NOTES:

All children must be age-appropriately immunized to attend school in NYS. The number of doses depends on the schedule recommended by the Advisory Committee on Immunization Practices (ACIP). Intervals between doses of vaccine must be in accordance with the “ACIP-Recommended Child and Adolescent Immunization Schedule.” Doses received before the minimum age or intervals are not valid and do not count toward the number of doses listed below. See footnotes for specific information for each vaccine. Children who are enrolling in grade-less classes must meet the immunization requirements of the grades for which they are age equivalent.

Dose requirements MUST be read with the footnotes of this schedule

Vaccines	Pre-Kindergarten (Day Care, Head Start, Nursery or Pre-K)	Kindergarten and Grades 1, 2, 3, 4 and 5	Grades 6, 7, 8, 9, 10 and 11	Grade 12
Diphtheria and Tetanus toxoid-containing vaccine and Pertussis vaccine (DTaP/DTP/Tdap/Td) ²	4 doses	5 doses or 4 doses if the 4th dose was received at 4 years or older or 3 doses if 7 years or older and the series was started at 1 year or older		3 doses
Tetanus and Diphtheria toxoid-containing vaccine and Pertussis vaccine adolescent booster (Tdap) ³		Not applicable		1 dose
Polio vaccine (IPV/OPV) ⁴	3 doses		4 doses or 3 doses if the 3rd dose was received at 4 years or older	
Measles, Mumps and Rubella vaccine (MMR) ⁵	1 dose		2 doses	
Hepatitis B vaccine ⁶	3 doses		3 doses or 2 doses of adult hepatitis B vaccine (Recombivax) for children who received the doses at least 4 months apart between the ages of 11 through 15 years	
Varicella (Chickenpox) vaccine ⁷	1 dose		2 doses	
Meningococcal conjugate vaccine (MenACWY) ⁸		Not applicable	Grades 7, 8, 9, 10 and 11: 1 dose	2 doses or 1 dose if the dose was received at 16 years or older
Haemophilus influenzae type b conjugate vaccine (Hib) ⁹	1 to 4 doses			
Pneumococcal Conjugate vaccine (PCV) ¹⁰	1 to 4 doses			

1. Demonstrated serologic evidence of measles, mumps or rubella antibodies or laboratory confirmation of these diseases is acceptable proof of immunity to these diseases. Serologic tests for polio are acceptable proof of immunity only if the test was performed before September 1, 2019, and all three serotypes were positive. A positive blood test for hepatitis B surface antibody is acceptable proof of immunity to hepatitis B. Demonstrated serologic evidence of varicella antibodies, laboratory confirmation of varicella disease or diagnosis by a physician, physician assistant or nurse practitioner that a child has had varicella disease is acceptable proof of immunity to varicella.
2. Diphtheria and tetanus toxoids and acellular pertussis (DTaP) vaccine. (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive a 5-dose series of DTaP vaccine at 2 months, 4 months, 6 months and at 15 through 18 months and at 4 years or older. The fourth dose may be received as early as age 12 months, provided at least 6 months have elapsed since the third dose. However, the fourth dose of DTaP need not be repeated if it was administered at least 4 months after the third dose of DTaP. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.
 - b. If the fourth dose of DTaP was administered at 4 years or older, and at least 6 months after dose 3, the fifth (booster) dose of DTaP vaccine is not required.
 - c. Children 7 years and older who are not fully immunized with the childhood DTaP vaccine series should receive Tdap vaccine as the first dose in the catch-up series; if additional doses are needed, use Td or Tdap vaccine. If the first dose was received before their first birthday, then 4 doses are required, as long as the final dose was received at 4 years or older. If the first dose was received on or after the first birthday, then 3 doses are required, as long as the final dose was received at 4 years or older.
3. Tetanus and diphtheria toxoids and acellular pertussis (Tdap) adolescent booster vaccine. (Minimum age for grades 6 through 9: 10 years; minimum age for grades 10, 11, and 12: 7 years)
 - a. Students 11 years or older entering grades 6 through 12 are required to have one dose of Tdap.
 - b. In addition to the grade 6 through 12 requirement, Tdap may also be given as part of the catch-up series for students 7 years of age and older who are not fully immunized with the childhood DTaP series, as described above. In school year 2023-2024, only doses of Tdap given at age 10 years or older will satisfy the Tdap requirement for students in grades 6 through 9; however, doses of Tdap given at age 7 years or older will satisfy the requirement for students in grades 10, 11, and 12.
 - c. Students who are 10 years old in grade 6 and who have not yet received a Tdap vaccine are in compliance until they turn 11 years old.
4. Inactivated polio vaccine (IPV) or oral polio vaccine (OPV). (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive a series of IPV at 2 months, 4 months and at 6 through 18 months, and at 4 years or older. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.
 - b. For students who received their fourth dose before age 4 and prior to August 7, 2010, 4 doses separated by at least 4 weeks is sufficient.
 - c. If the third dose of polio vaccine was received at 4 years or older and at least 6 months after the previous dose, the fourth dose of polio vaccine is not required.
 - d. For children with a record of OPV, only trivalent OPV (tOPV) counts toward NYS school polio vaccine requirements. Doses of OPV given before April 1, 2016, should be counted unless specifically noted as monovalent, bivalent or as given during a poliovirus immunization campaign. Doses of OPV given on or after April 1, 2016, must not be counted.
5. Measles, mumps, and rubella (MMR) vaccine. (Minimum age: 12 months)
 - a. The first dose of MMR vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.
 - b. Measles: One dose is required for prekindergarten. Two doses are required for grades kindergarten through 12.
 - c. Mumps: One dose is required for prekindergarten. Two doses are required for grades kindergarten through 12.
 - d. Rubella: At least one dose is required for all grades (prekindergarten through 12).

Dose 3 must be at least 8 weeks after dose 2 AND at least 16 weeks after dose 1 AND no earlier than age 24 weeks (when 4 doses are given, substitute "dose 4" for "dose 3" in these calculations).
 - b. Two doses of adult hepatitis B vaccine (Recombivax) received at least 4 months apart at age 11 through 15 years will meet the requirement.
7. Varicella (chickenpox) vaccine. (Minimum age: 12 months)

 - b. For children younger than 13 years, the recommended minimum interval between doses is 3 months (if the second dose was administered at least 4 weeks after the first dose, it can be accepted as valid); for persons 13 years and older, the minimum interval between doses is 4 weeks.
8. Meningococcal conjugate ACWY vaccine (MenACWY). (Minimum age for grades 7 through 10: 10 years; minimum age for grades 11 and 12: 6 weeks)
 - a. One dose of meningococcal conjugate vaccine (Menactra, Menveo or MenQuadfi) is required for students entering grades 7, 8, 9, 10 and 11.

PARENT SERVICE COMMITMENT **NURSERY-FULL DAY THROUGH GRADE 8**

Dear Parents,

As part of your school responsibility, each registered family is required to fulfill a specific service by giving time to the academy. When you register your child, you **MUST** choose a service which will be assigned on a first come, first served basis. After the scheduling is completed, we will be able to determine when and where additional help is needed.

If you have any questions concerning the services, please contact the school. Records will be kept of those who volunteer and will be reviewed periodically. Those families who fail to fulfill their commitment will be billed, prorated on the \$500.00 annual service fee. If you have consistently missed your service, we may not be able to schedule you for a service next year. You will be required to pay the \$500.00 parent service fee.

Because our academy needs lunch coverage, we are unable to accept other parish or school activities as an alternative service. Please consider each option carefully before making your selection because we may not be able to accommodate changes once the schedule has been made.

RAFFLES – selling tickets to our fundraising raffle(s) in the equivalent amount of the parent service fee. More information to follow.

LUNCH DUTY – from 11:45AM until 1:05PM once each week, to maintain order and discipline. As always, this is where we need the most help. All volunteers must complete and show proof of Virtus Training from the Diocese. (See Virtus Training flyer for more information.) Also attend one of the mandatory Lunch Duty tutorial meetings held in August/September 2024.

259^a STREET STOP & DROP/OFFICE* – one day per week, to stay at the drop off area from 7:45AM until 8:30AM to make sure traffic flows smoothly. After stop and drop, you will come to 258th Street by Union Tpke to assist with Pre-K arrival. Also attend one of the mandatory Parent Service tutorial meetings held in August/September 2024.

258^a STREET CONES/OFFICE* – one day per week, to bring out cones and stay with them on 258^a Street to keep the street clear for our buses and early childhood arrival from 7:45AM until 8:30AM. Also attend one of the mandatory Parent Service tutorial meetings held in August/September 2024.

We understand that many families must work two jobs; however, your service and dedication is needed and appreciated. Thank you for your cooperation and understanding.

Respectfully,

Joseph Venticinque
Principal
