Any tuition payment not received by the 1st of the month it is due is subject to the following late fees:

All Grades - \$25 per payment

Any "**Returned Check**" will have to be reissued along with a bank fee of \$25 (subject to change) whenever a check is returned to us for insufficient funds or any other reason. We do not redeposit these checks. After two checks have been returned by the bank, only money orders will be accepted for future payments.

Fair Share Program and Fee (included in the registration fee) - Our academy families benefit from the funds generated by our Home Academy Association functions. Thanks to your support of these fundraisers hosted by the HAA, the 2017/2018 tuition increase was kept to a minimum. These fundraisers are an excellent way for our academy families to get to know each other in a social environment as well. The Fair Share Program has a \$75 fee and entitles each family to \$70 worth of prepaid tickets for the Home Academy fundraiser(s) of your choice that take place during the school year. This program has brought many more families together and at the same time kept tuition increases to a minimum.

Lunch Duty Fee - This fee, which is included in your re-registration fee, will allow us to pay the parents who are willing to do an additional service to adequately cover many areas where we are shorthanded. Anyone who works an additional service will be paid \$10 PER SESSION. In order to finance these payments, EVERY family in the school is required to pay a \$100 lunch duty fee.

A "**3 percent discount**" will be given to each family who pays their tuition in full by June 28. This only applies to tuition not any other school fees, and the discount does not apply to tuition received after June 28. There are no exceptions. If you will be away, you may send the payment in advance to the academy address.

Financial Aid – There are various scholarships that are awarded each year. Information and guidelines for these scholarships will be made available to you as we receive them. We recommend that all families apply for the available scholarships. Please see the school office for more information.

\$200 Referral Incentive – Our Lady of the Snows Catholic Academy is offering an incentive program to each family so they can invite family and friends to learn more about Our Lady of the Snows Catholic Academy. Please make sure that the prospective family mentions your family as the one that recommended them. If that new family registers and remains at Our Lady of the Snows Catholic Academy in good financial standing, you and the new family will receive a one-time credit of \$200 on the May 1, 2018 payment for the 2017-2018 school year. This credit is given only the first year the family attends Our Lady of the Snows Catholic Academy.

\$200 Public School Incentive – Our Lady of the Snows Catholic Academy is offering an incentive program to all new students registering from public school. This credit is given only the first year the family attends Our Lady of the Snows Catholic Academy. The family must remain in good financial standing and will receive the one-time \$200 credit on their final tuition payment of their first year.
